

Interested in a Career in Advanced Manufacturing?

CNC Machining Program – INFO SESSION

The CNC Machine Operator Training Program is an 11-week intensive non-credit training course designed to provide the knowledge and hands on skills necessary to prepare students for an entry level career in machining in a variety of manufacturing industries. **Session dates: 5/30/17 – 8/11/17.**

Please join us at one of the informational sessions below to learn more about this exciting (free!) career opportunity!

Visit the Facility - Tour the Machine Lab - Meet the Instructors

1. Tuesday, April 25th, 6:30 PM, at Whittier Regional Technical High School, 115 Amesbury Line Road, Haverhill, MA 01830
OR
2. Tuesday, May 2nd, 6:30 PM, at Greater Lawrence Technical School, 57 River Rd, Andover, MA
