

Hello Arthur,

I wanted to let you know how helpful Susan Searles is all of the time.

She is always friendly, informative, supportive and tells you to keep smiling, that a job will come up.

She sends daily emails with job listings.

I feel better when I come here and talk to Susan and know that there is a silver lining awaiting.

I hear her talking with lots of people and cheering them all on.

Congrats on having such a wonderful employee ...

Regards,

Jan Friel
