

# ***Interested in a Career in QUALITY?***

## **QUALITY TRAINING – INFO SESSION**

This 120-hour program is designed to provide the concepts and skills necessary to become a Quality Assurance or Quality Control Associate employed by companies in a variety of business sectors. The concepts and skills presented during the six-week program are relevant to both production and service applications.

**Class Dates: 5/15/17 – 6/22/17**

**Please join us at the informational session listed below to learn more about this exciting (free!) career opportunity!**

**Thursday, April 27th, 3:30 PM, at Valley Works Career Center, 255 Essex St, Lawrence, MA**

**Please contact: Lisa Remington, Valley Works Career Center, 978-722-7005 to reserve a spot in one of the Info Sessions, for information on the eligibility requirements, and to begin the assessment process.**

A collaboration of Northern Essex Community College, ValleyWorks Career Center, Merrimack Valley Workforce Investment Board, as well as other local Career Centers and Workforce Investment Boards, in cooperation with The Northeast Advanced Manufacturing Consortium.
